School History

The first regular established school in the village of New Holland was founded in 1786, and lays claim to being the first "Free School" in Pennsylvania. The founder of the school was Rev. Frederick Melsheimer.

This first institution was a German and English school, in which both the German and English languages were spoken and taught.

The budding project was begun after subscriptions amounting to 97 pounds, had been taken. These subscriptions were paid with logs, materials and labor. Several other subscriptions were taken later to defray expenses.

Dedication for the first school was held December 26, 1787. The program began with a procession of the scholars, masters, singers, trustees and elders.

In 1841 this early schoolhouse was discarded because of the Common School Law of 1835, which went into effect. A new building, which was the Methodist Meeting House enlarged, equipped and divided into four rooms, served as the school until 1875.

During the summer of 1874, a new school was erected. This was a two-story brick building with a clock tower, basement, four rooms, and a directors' room.

In 1913, a two-story additon was erected on the southeast corner, fronting Main Street.

The present school building was finished in the spring of 1925. This structure consisted of 12 rooms, auditorium, basement, and office. A two-acre playground was added at that time.

February 16, 1938 finds the community dedicating an addition to this building. This annex makes it possible to meet the broader needs of education. Home Making, Industrial Arts, Music, Business Education, the regular classical courses and Health Education can be taught more effectively with the added space and equipment.

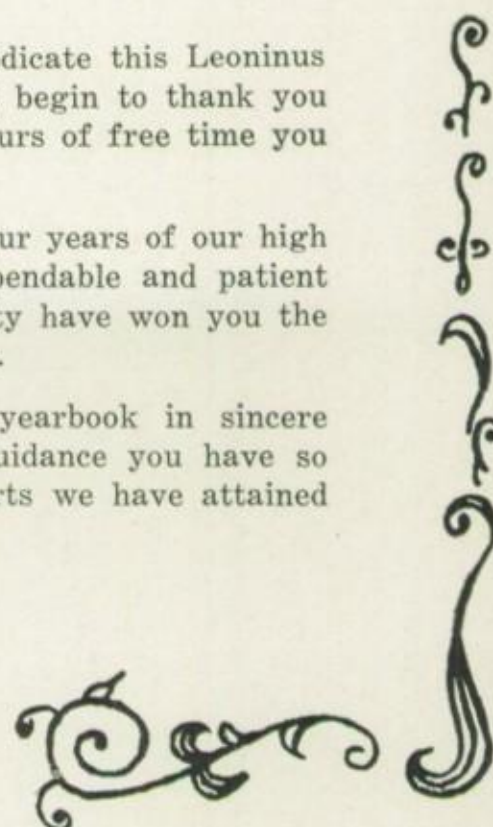

Dedication

We, the class of "53", would like to dedicate this Leoninus to you, Miss Elizabeth Troxell. We cannot begin to thank you for all the fine words, contributions, and hours of free time you have given to us so willingly.

Being our class room advisor for the four years of our high school life has ranked you as being a dependable and patient teacher. Your personality and deep sincerity have won you the gratitude of each one of our class members.

Yes, Miss Troxell, we dedicate this yearbook in sincere appreciation for all the cooperation and guidance you have so gratefully given to us. Through your efforts we have attained our goal in our high school career.

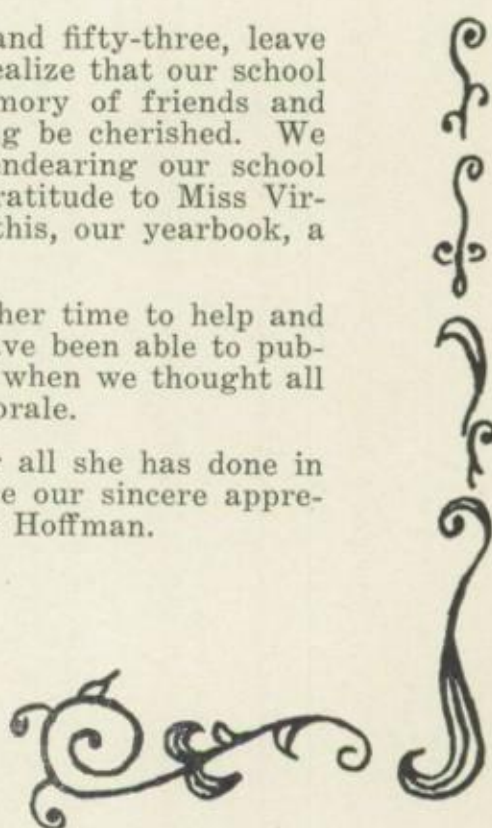

Appreciation

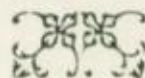

As we, the class of nineteen hundred and fifty-three, leave the halls of New Holland High School, we realize that our school ties are left behind us. However, the memory of friends and teachers who have been close to us will long be cherished. We appreciate the part they have played in endearing our school life to us. We feel a particular sense of gratitude to Miss Virginia M. Hoffman, for helping us to make this, our yearbook, a success.

This year, Miss Hoffman has sacrificed her time to help and guide us. Without her help, we would not have been able to publish our yearbook successfully. Many times when we thought all was hopeless, it was she who boosted our morale.

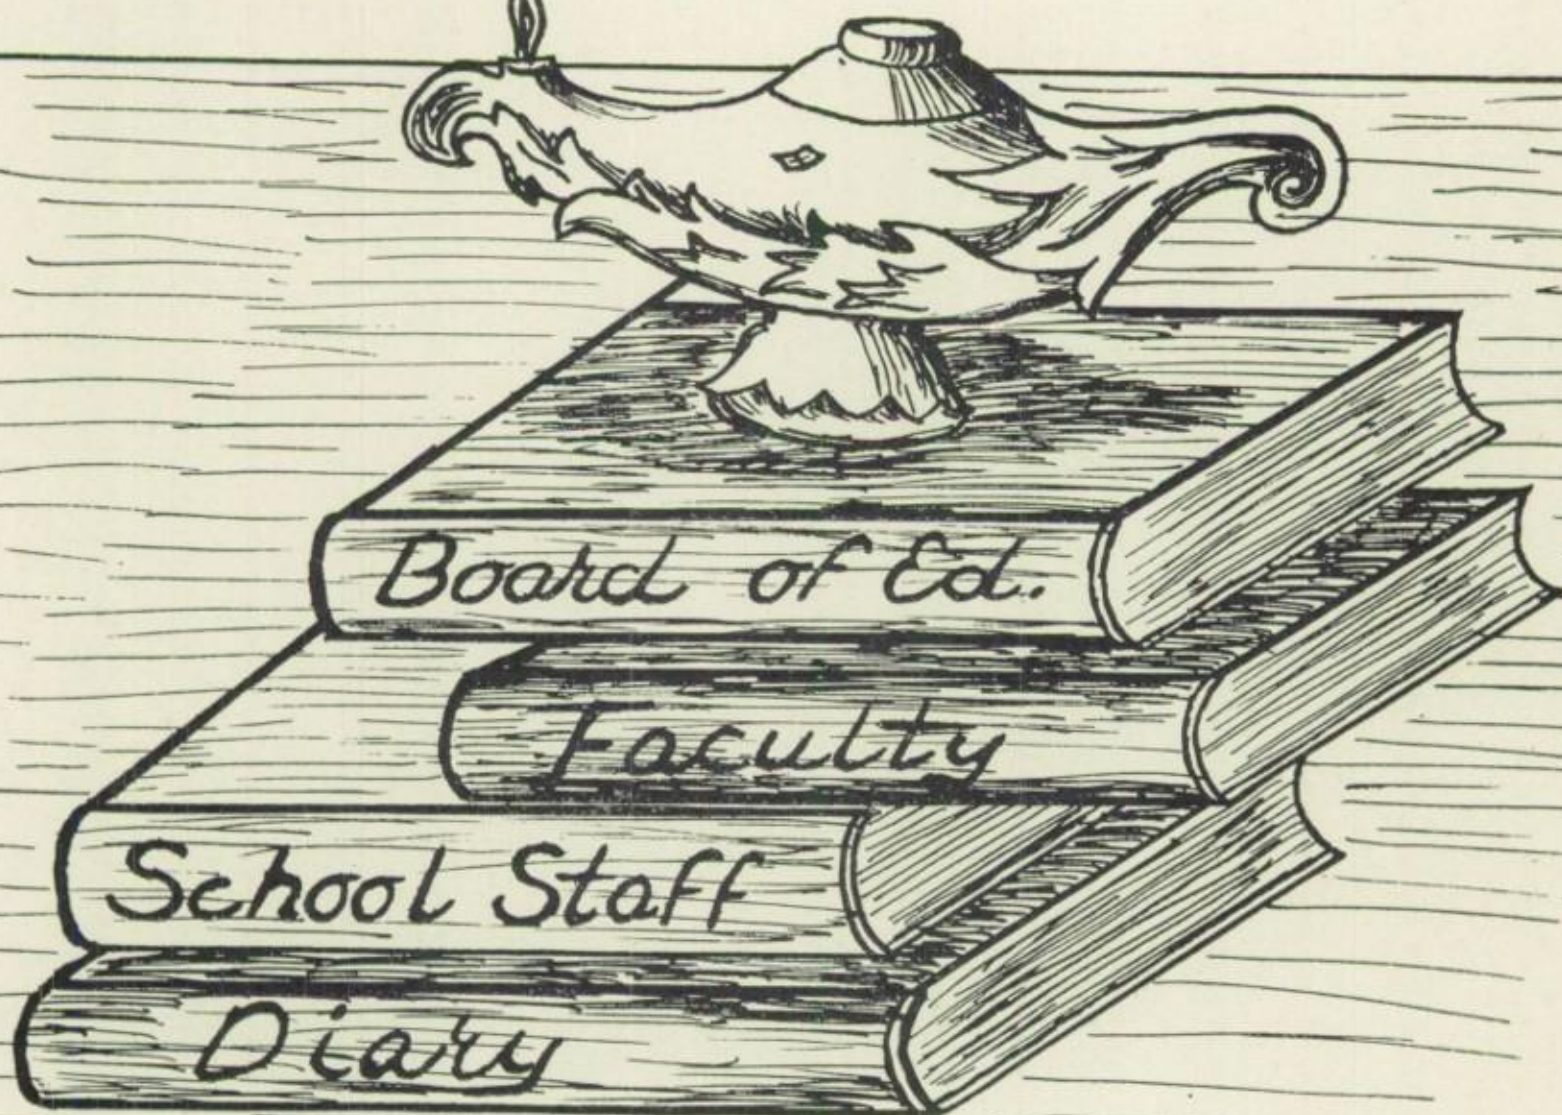

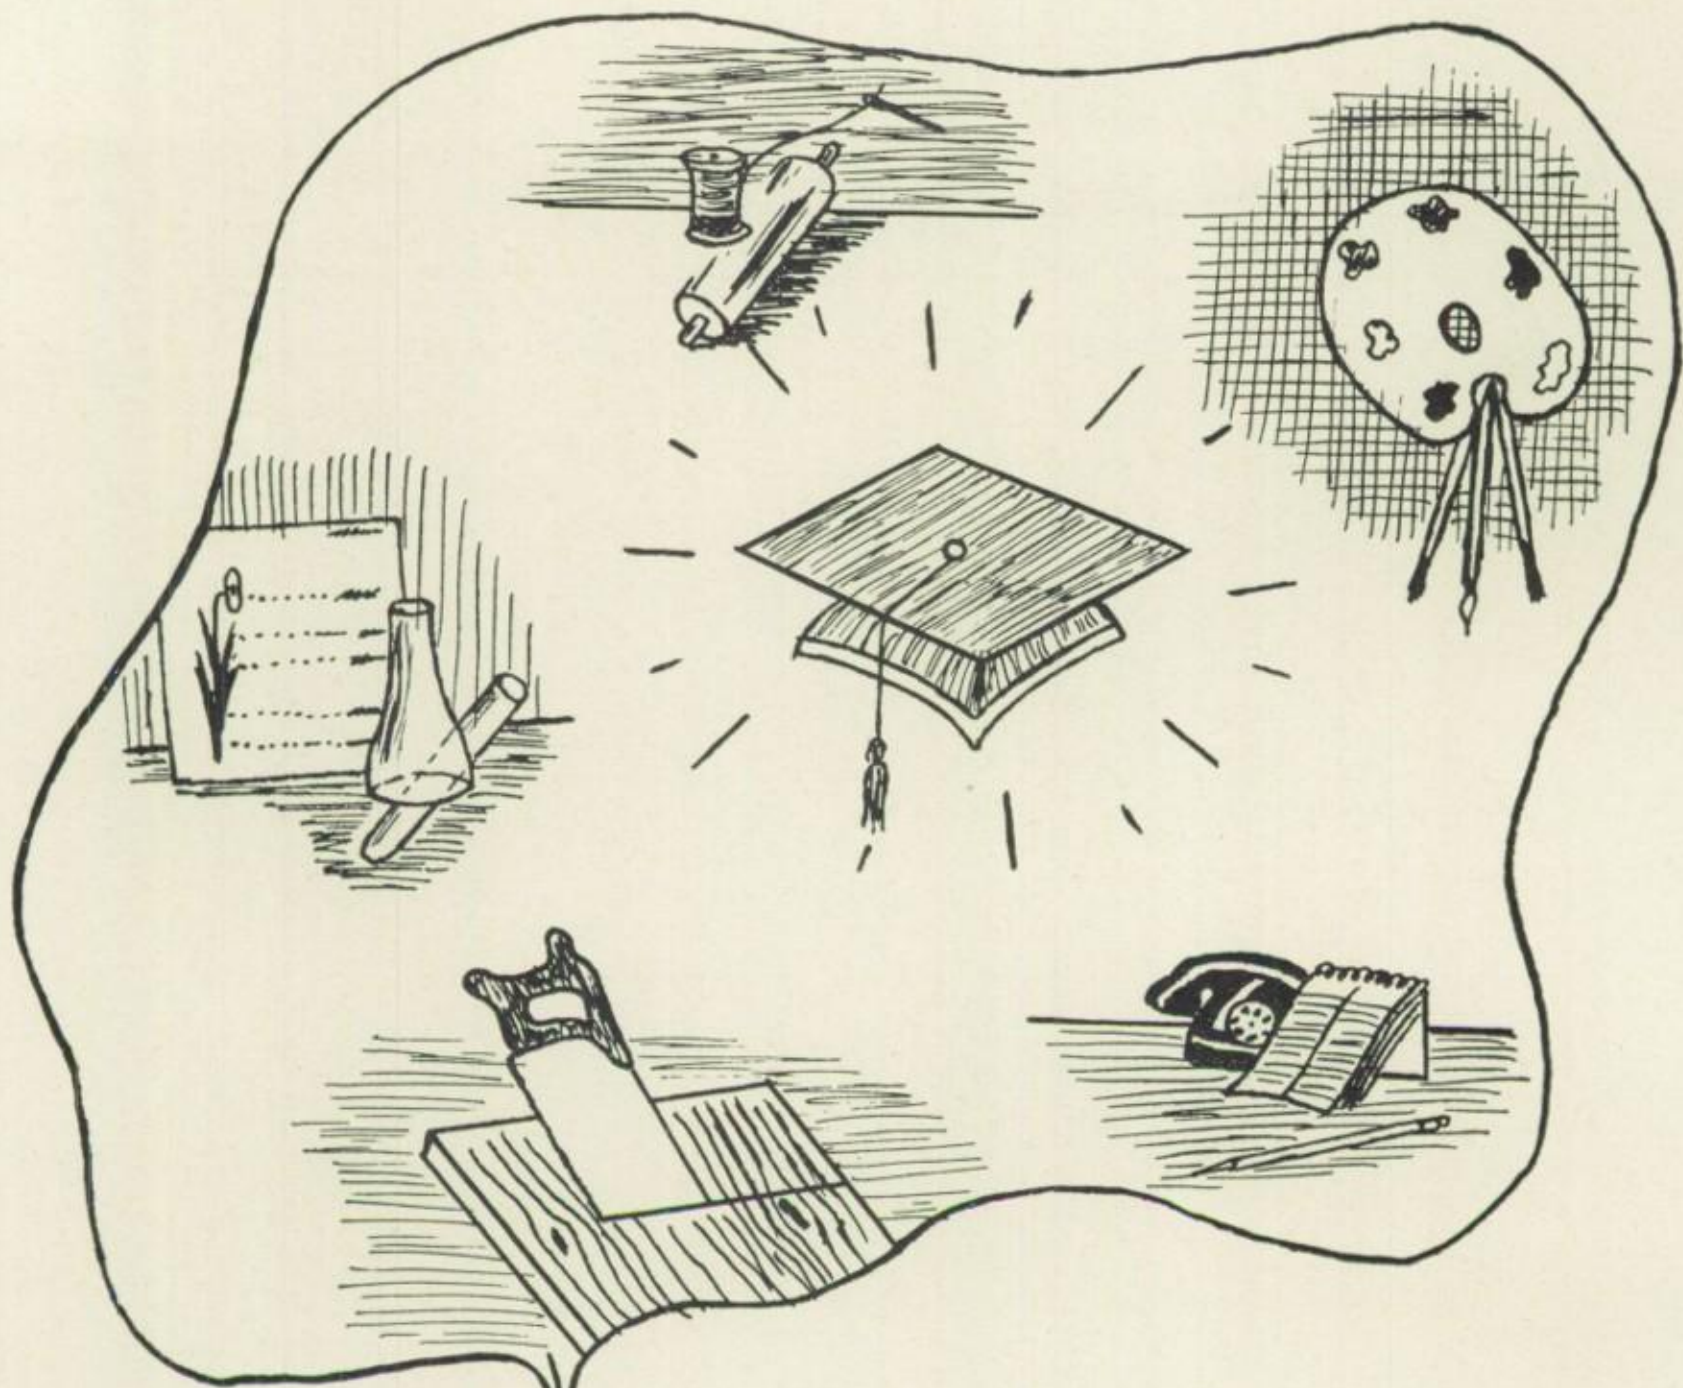

Although we cannot fully thank her for all she has done in our behalf, we take this opportunity to voice our sincere appreciation to our very capable leader . . . Miss Hoffman.

Board of Education

Seated (left to right): Henry R. Fenninger, Treasurer; Wilson A. Foust, M.D., Vice President; H. Earle Wright, President; John J. Sheaffer, D.D.S., and Roy W Hooper.

To this body of men, the school owes a great amount of gratitude and appreciation. They have taken time from their various businesses and professions in an effort to solve the many problems that confront the school. These men, the town's elective representatives, have the task of hiring teachers, raising money, determining school policies, and many other things involving the school. At this time, one of their greatest problems is the consolidation and the building of a new Junior-Senior High School.

H. Earle Wright was appointed to the School Board in 1922, to fill a vacancy. In 1923, he was elected to the board. He was elected president in 1926, and has capably filled that position for the past twenty-four years.

Thirteen years ago, Wilson A. Foust, M.D., was elected to serve on the School Board. He was elected to the vice presidency one year ago. He has also served as the school's physician for a number of years.

Taking care of the school's financial problems has been the duty of Henry R. Fenninger, who has served as treasurer for the past fourteen years. He has been a member of the School Board for seventeen years.

One of the newer members of the group is John J. Sheaffer, D.D.S. He was elected to the Board of Directors three years ago. Dr. Sheaffer is also one of the school's dentists.

The newest member of the staff is Roy W. Hooper, who became a member of the School Board one year ago. He is also an alumni of the school.

CLASS

Today we had a new and exciting experience, for it was the first time we entered a school. Being in first grade seemed so grown up to us. As Miss Maria Bender took roll, we found out there were 33 of us. The first two months of school slipped by very rapidly, and soon Hallowe'en had arrived. Even the pouring rain didn't stop us from dressing as witches and goblins to attend our first social activity.

Second grade found us in Room Eleven, under the supervision of Miss Suie Zimmerman. Watching the various stages in the development of a butterfly interested us very much.

Our next two years passed rapidly. The late Mrs. Kathryn Overly served as our third grade teacher, and Miss Mary Harsh was our fourth grade teacher.

A Good Citizen's Club was formed in our fifth year of school under Mrs. Anna Diller. This year we were "Mother Nature's" helpers, as we built a bird tray and supplied food for the birds.

Miss Helen Fenninger guided us through our last year of elementary schooling. We showed our appreciation to her by giving her a "fruit roll" on her birthday.

Well, in September, 1947, having completed our first six years of education, we entered Junior High School.

Kenneth Kauffman led our class as president. Vice President was Gerald Stover, and John Musser acted as Secretary-Treasurer. A Christmas party was our main activity. Miss Ruth Witman supervised our class that year.

Room 19 served as our homeroom and Mrs. Sara Fridinger was our advisor in ninth grade. That year our officers were Kenneth Kauffman, President; Marcia Russell, Vice President; John Musser and Edward Randall, Secretary and Treasurer, respectively.

* * * * *

When Freshmen we traveled to the Hershey Arena to see the 1950 Ice Follies, as our winter activity. On the last day of our Freshman year, we ventured to Rocky Springs Park to enjoy a wonderful day. We invited the eighth grade as our guests. Miss Elizabeth Troxell was our homeroom teacher. Kenneth Kauffman was again elected President. Vice President

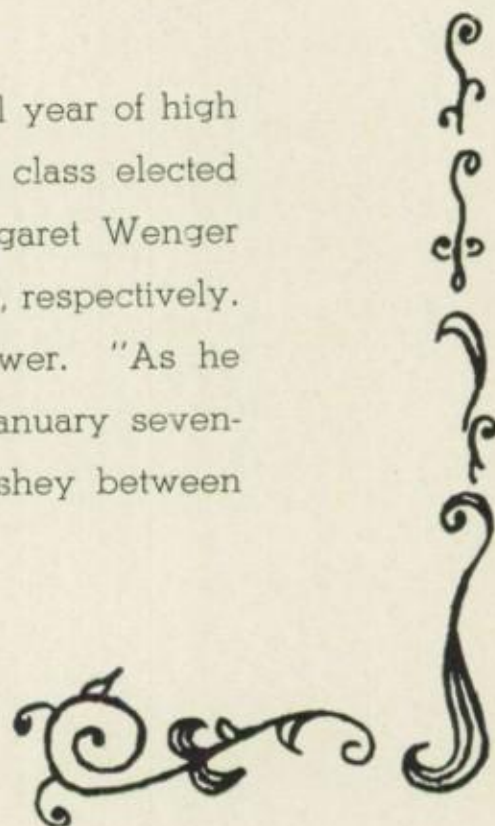

DIARY

was Jennie Mae Sweigart, Joyce Kendig acted as Secretary, and Joan Terry took over the Treasurer's job.

Thirty-four sophomores began their first year of senior high school under the supervision of Miss Elizabeth Troxell and Mr. Richard Stockton. We elected the following officers: Blaine Danner, President; Kenneth Kauffman, Vice President; David Fizz, Secretary, and Joan Terry, Treasurer. As a winter activity the class traveled to Hershey to view the Ice Capades. In the spring we made a return trip to Hershey to enjoy a day of fun in the amusement park.

Blaine Danner, President; David Fizz, Vice President; John Musser Secretary, and Joan Terry, Treasurer, led thirty-one members of our class into our Junior Year. We sponsored a refreshment stand at all the home basketball games. An ice hockey game between Hershey and Pittsburgh, captured the fancy of the class as its first activity. In February we presented our Junior Play, entitled "Ah, Sweet Mystery". Mrs. Ruth Gantos was the directress. During the first three months of 1952, we spent most of our spare time preparing for our first big formal dance. With April fourth arriving, the Junior-Senior Reception was held. "Somewhere Over the Rainbow" was our theme. A wishing well, a pot of gold, a flower garden and a waterfall, all made by the class, added much to carry out the theme. We also selected our class colors this year. Our colors being navy blue and white, we got our class jackets blue and gray. We also purchased our class rings. Miss Troxell and Mr. Stockton were again the advisors.

Under Miss Troxell and Mr. Stockton, we entered our final year of high school. Thirty-one students became seniors. As president, the class elected Marcia Russell. David Fizz again became vice-president. Margaret Wenger and Joan Terry have the responsibilities of secretary and treasurer, respectively. A white carnation with a blue fringe was voted our class flower. "As he thinketh in his heart, so is he," was voted our class motto. January seventeenth found the seniors enjoying an ice hockey game at Hershey between the Hershey Bears and the Buffalo Bisons.

Junior Class Diary

Dear Diary:

As I look back over the past years, how well I remember the good times we all had when we entered Junior High School. We were so proud the first day we walked down the halls, and how smart we were to go to our first assembly. I remember not listening to a word being said, and how we spent the rest of the day trying to find the right study halls and classes.

Our seventh grade activities included several picnics. We'll always remember the one at Mrs. Helene Weaver's cabin, where we went swimming and boating.

Traveling to Rocky Springs Park with the Sophomores helped make eighth grade an exciting one.

Then in ninth grade we made our first big trip to Hershey in one of those yellow school buses. The ride was a little rough but our classmates overcame that with noise. We had to miss an important basketball game, but it was worth it.

By the time we reached tenth grade, our expense account made it possible to travel to Hershey in a Conestoga Transportation Company bus. The reclining seats, blinds on the windows and separate lights on each seat were well worth the money spent.

Next came our junior year, packed with lots of experiences. Although this was our hardest year it was the most fun. Our first activity as juniors was another trip to Hershey, which had become an annual event.

Then we had our chance at selling food at the basketball games. I think every junior looks forward to this event. It's lots of work, sweating over the hot-dogs and cleaning up, but popping bottle tops and eating some of the profits makes it exciting.

Our Junior Play, "Seventeen Is Terrific", was the next major activity. Learning lines and working on the committees was a new experience, which we found was lots of fun.

The big secret of that year was the Junior-Senior Reception. It was hard work, but it proved itself when it was unveiled to the seniors.

As our high school years come to an end, we look back over years well spent.

Sophomore Class Diary

We remember those days when all of us were getting into the full swing of high school. Our class was planning ahead for all the activities in our last two years in high school. Sophomore days also remind us of all the studying we were to do before graduation.

The Class of 1955's officers in seventh grade were: Larry Evans, President; Vernon Ream, Vice President; Robert Aungst, Secretary. That year the students had a party at the Community Park as their activity. The advisor was Mrs. Carolyn Weber. In eighth grade, the officers were: President, Larry Evans; Vice President, Thomas Witman; Secretary - Treasurer, Robert Aungst. A swimming party and a trip to Hershey Park were the activities held by the class. These activities were also chosen by the students in ninth grade. Mrs. Elizabeth Kneller and Mrs. Carolyn Weber were the faculty advisors in eighth grade.

Ninth grade found a new group of members in office. Sandra Spotts was elected President; Patty Ranck as Vice President; Sylvia Ruoss, Secretary and Ferne Grubb, Treasurer. Mr. Roy Brandau and Mrs. Ruth Gantos were advisors for 9A and 9B.

This year the class journeyed to Hershey to see an ice hockey game between Hershey and Providence. Many of the students in this grade participate in the various sports. Several boys were on the varsity soccer and basketball teams, while others were members of the junior varsity. A number of girls played on the hockey team.

Best of wishes to this class which has the fun and hard work of two more years before receiving their diplomas.

To the Sophomores

Fare thee well the days we've spent together,
 Cherished the hours will always be;
 And the time for parting now has come,
 And it makes us sad as we can be.
 O Sophomores dear, Farewell to thee,
 We'll miss you as the years roll on and on,
 But we must part with this last word to you,
 Farewell, dear Sophomores, Farewell!

Oh! How we remember those good old Freshman days. There were thirty-five in the class, and Mr. Kenneth Herr was our advisor. Class officers were: President, Mary Jane Binkley; Vice President, Russel Etter; Secretary, Doris Miller, and Treasurer, Robert Stauffer. Our class activity was a trip to see the Globe Trotters at Hershey. A Christmas party was another highlight in our Freshman year.

Our memories of eighth grade were pleasant ones. Class officers were: President, Russel Etter; Vice President, Louise Ranck; Secretary, Mary Jane Binkley, and Michael Robison acted as Treasurer. A swimming party, and a trip to Hershey Park were our activities. We presented a Christmas Play in assembly under the direction of Mr. Kenneth Herr. An English club was formed to practice rules of Parliamentary Procedure. In the Magazine Contest we won the award for selling the most magazines.

We started our first year of Junior High School in 1949. A swimming party was a big highlight for us. Later on we had a Scavenger Hunt, which proved to be successful, and a lot of fun. Putting on a Minstrel Show in assembly under the direction of Mrs. Carolyn Weber was a great experience for us. Our officers for that year were: President, Russel Etter; Vice President, Janet Frankhouser, and Robert Stauffer, Secretary-Treasurer.

Alma Mater

Alma Mater dear we hail thee now,
New Holland High so fine.
Thy founders saw in days gone by
Thy place in our fair town.
So long ago they worked and prayed
For strong foundations to be laid
In Education's Hall that we each day
Might meet our need.

May we who share these blessings now
Serve thee with might and main,
As sons and daughters going forth
Add glory to thy name.
We'll work and play while in thy halls,
And loyal be when duty calls,
And go forth in the world to show
Our school what we can do.

Pat Steinman, right, editor of this yearbook, and Dave Fizz, class president, hear the story of the advertising campaign behind New Holland's newest Baler. At left is H. Joseph Hull, Jr., advertising and public relations manager.

You've Got to Sell Yourself, Too!

When New Holland brought out its brand-new low-cost baler in 1953, there was a complete international sales campaign ready for it.

Although it was known farmers everywhere would be tremendously interested in the new Model 66, every effort was made to make sure they knew all about its outstanding qualities. National advertising, publicity, posters . . . throughout the United States and in foreign countries . . . told the story of the Model 66.

But all the advertising in the world is no good unless the product is

sound! When the chips are down the baler must do the job and do it well.

As a high school graduate, you don't create a big advertising campaign to let possible employers know about you . . . or to achieve any goal you set. But you do have to sell yourself. And when you do, it's how you work . . . how you put yourself into your job . . . that results in your success. Your high school training will play an important role in achieving that success.

To the Class of 1953, congratulations from your friends at the New Holland Machine Company.
